**DAY 1: REPORT**

22nd of January saw the beginning of an seven day long Induction Programme of the Value Education Cell at BBDNIIT. The induction programme is being conducted for students of First Year, in order to make them aware of the Universal Human Values & Professional Ethics and to sensitise them about the significance of the same. Value education is a way to conceptualizing education that places the search for meaning and purpose at the heart of the educational process. It recognizes that the recognition, worth and integrity. Swami Vivekananda points out "education" is not the amount of information that is put into your brain and runs into there undigested all your life we must have the building, man-making and character making assimilation of ideas.

The Programme began with the inaugural speech given by the Convener of the Value Education Cell, BBDNIIT, Dr. Laxmi Vajpeyi. She welcomed all the first year students and stressed on the importance
