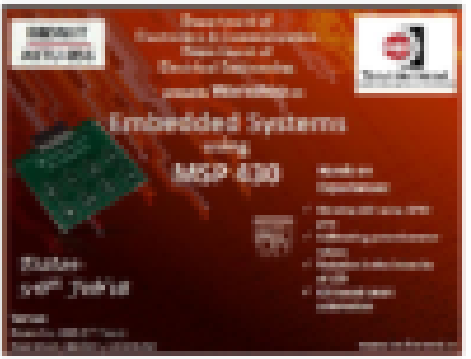
Workshop on Embedded System Using MSP430

February 05-06, 2018

Recognizing the skills demanded in the industrial world and the far-reaching applications of microcontrollers in every field, Department of Electronics and Communication Engineering and Department of Electrical Engineering, BBDNIIT organized a two days workshop on "Embedded system using MSP430" on 5th- 6th February, 2018 for second and third year students of ECE and EEE.



The occasion was inaugurated by Prof. (Dr.) V. K. Singh, Director (Engg.) BBDNIIT who enlightened the students with the importance of microcontrollers and embedded system in current scenario. The workshop was organized under the mentorship of Prof. Sanjay Sharma, Associate Professor (ECE) and Prof. Rituraj Jalan, Head of Department (EE/EN).
