ONE DAY INDUSTRIAL TOUR TO "TATA MOTORS - TELCO" ON NOVEMBER 01, 2017

Department of Mechanical Engineering BBDNIIT organized Industrial visit to TATA MOTORS, Deva Road, Lucknow. Industrial visit was organized for the students of B.Tech. (M.E), 3rd Year .The objective of this visit was to provide practical exposure of the most advanced Automobile producing plant to them. During the visit the student interacted with Mr. Prashant Pandey (HR Executive Tata Motors) gave the presentation on TATA Group& TATA MOTORS history. After having the snacks which was followed by visiting plant with safety shoes, Goggles, and Helmet as safety is the first priority of Tata Group. At the plant we have seen how much time and effort Tata Motors took to serve best Quality to the people. We were explained all the steps of assembly and inspection involved in the plant.

The whole visit was so informative and we all learnt the basics of how TATA MOTORS work.

The entire student expressed their thanks to the officials for the opportunity given. The department would like to thank the Director (Engg.) and the management for providing all the facilities which was very much required for organizing the visit.

Dr. N. K. Mishra
