

## CURRICULUM VITAE

### Dr. Kamal Kumar Srivastava

Designation: Associate Professor  
Department: Information Technology  
Official Email ID: kamal.srivastava@bbsnl.ac.in

**ACADEMIC/INDUSTRIAL EXPERIENCE:-** 15 Years

**QUALIFICATION:-** Ph.D.(Computer Science & Engineering)

**AREA OF INTEREST:-** Machine Learning, Deep learning and Pattern Matching

**RESEARCH PUBLICATION:-**

**PUBLICATION IN JOURNAL (NATIONAL/INTERNATIONAL)**

- Paper Published in *GREENZ International Journal of Engineering and Technology (GIJET)* "A resultant of Local Binary Pattern Histogram (LBPH) and Speeded up Robust Feature (SURF) algorithm for face recognition, "year 2020 indexing in SCOPUS."
- Paper Published in *International Journal of Scientific Research in Computer Science, Engineering and Information Technology* "Comparative Analysis of Best Algorithms For Face Detection In a Throng" in the year 2020 indexing in Google Scholar & UGC Care and others.
- Paper published in the "Engineering Sciences International Research Journal (EMRIJ 2013) India by "EMRIJ Journals", title "Removal of smoke Region using Mean Iteration Coupled with cloud Computing" in the year 2013.
- Paper published in the "International Conference on Emerging trends in Computing, Communication and Nanotechnology (ICE-CCN 2013) India" title "Nanokrit word Recognition using prewi's operator and support vector classification" in the year 2013 and indexing in SCOPUS/IEEE.
