

CURRICULUM VITAE

KOMAL ASRANI

Designation: Professor
Department: Computer Science and Engineering
Official Email ID: komalasan@jg@bndnit.ac.in

ACADEMIC/INDUSTRIAL EXPERIENCE: 25 years

QUALIFICATION: - Ph.D.(Computer Science and Engineering)

AREA OF INTEREST: Image Processing, Computer Graphics, Computer Vision, Object Oriented Programming

RESEARCH PUBLICATION:-

- *Inverse of Power of 3 in Decimal form*, 23rd Annual Conference of Vigyan Parishad of India Recent Developments in Mathematics, Optimization and Computational Science (RDMOCS 2021) organized by Boudhghand University, Bhubaneswar on 06-10 September, 2021.
- *Understanding Plant Leaf as a whole: A Review*, International Conference on Innovative Trends in Engineering and Management organized by INCCIT, Lucknow on 27-28 August, 2020.
- *SOIAS: A Content System for Leaf Identification in Smart City: National Seminar on Technology and Management of Smart Cities: Issues, Challenges and Opportunities* organized by School of Management Studies, UPKTOU, Allahabad, 3rd May 2015.
- *"Design and Development of an Image Based Plant Identification System using Leaf"*, The International Journal of Multimedia & Its Applications (IJMA) Vol.7, No.6, December 2015.
