BBDNIIT

1. INTRODUCTION

Babu Banarasi Das Northern India Institute of Technology, Lucknow has devoted itself to extend extensive opportunities for its faculties to pursue research and development activities.

The BBDNIIT's commitment to research in the area of science, engineering and technology has led to the development of centers of innovation and excellence. Every department is encouraged to have at least one such center.

BBDNIIT promotes the development of innovative products and processes. The aim of the policy is to provide the teachers of the institute the opportunity for sharing knowledge for academic growth and establish new collaborations to facilitate academic and research ambience in the institute.

2. RESEARCH POLICY

Faculty members are financially supported for presenting papers in conferences / attending Seminars, Workshop, FDP, SDP, delivering key note address/ invited talk and other similar events within India and abroad.

- Faculty members are allowed once in a year for national conference with registration fee.
- Faculty members are allowed once in a year for international conference within India with registration fee.
- Faculty members are allowed once in a year for international conference outside India with sponsorship from AICTE (Travel Grant) along with management sponsorship (subject to terms).
- Faculty members are allowed once in a year for attending seminar, workshop, FDP, SDP etc. with registration fee.
- The cost of train travel (AC-II/III) or bus fare for forward and return journey from the work place to the nearest railway station or venue of conference by shortest route would be reimbursed.
- In case of air travel, the difference of the air and train fares shall be borne by the faculty.
- Late fee, if any, shall be borne by the applicant.
- Faculty members can avail any two of the above-mentioned benefits in a financial year.
- The above stated events should be relevant to the area of specialization/ research of the applicant.

The faculty members pursuing PhD are facilitated with the following benefits.

- Members of staff pursuing PhD can avail 12 days On Duty leave per year for research work.

- Any fund raised or money earned by any faculty through grants, providing training and consultancy services etc., will be shared between the faculty members and the college at the ratio of 70:30 of the surplus.
- Any use of the College facilities like laboratories, lecture halls, workshops etc. are to be nominally charged and deducted from the fund.
