Department Vision

NOIIT, the department of Civil Engineering is committed to deliver quality technical education going with world class facilities, which will produce a well known & young professionals who will actively involve in provide solutions from global level to the future challenges of Civil Engineering in the global community.

Department Mission

M1. To offer regular education in civil engineering, and other civil development courses that adds to the knowledge base of students and develop their competencies.

M2. Providing students with in-depth knowledge of the major technical disciplines of civil engineering, which include structural and transportation, giving them an experience for proper understanding of Civil Engineering concepts through hands-on lab. To have regular interaction with industries in the form of industrial visits and on-site activities in their projects.

M3. To develop a study plan which stresses on designing, constructing, maintaining, and repairing structures, facilities, and other infrastructure, with the goal of using and utilizing one of numerous, to incorporate moral and ethical and cultural values among the students with students' activities for better values.

Date: 26.04.2023

SCHEDULE FOR EXTERNAL PRACTICAL EXAMINATION

B.TECH-CE-I EVEN SEMESTER 2022-23

2ND YEAR

Sr	Section	Branch	Name of Subject	Subject Code	Date of Exam	Reporting Time
1	CE3	CE	Structural Drawing Lab	EC3041	19/05/2023 (Monday)	09:00 AM Onwards
2	CE2	CE	Environmental Engineering Lab	EC3042	16/05/2023 (Friday)	09:00 AM Onwards
3	CE3	CE	Transportation Engineering Lab	EC3043	11/05/2023 (Wednesday)	09:00 AM Onwards

Instruction for students:

- All students must carry zero balance fee receipt with them.
- All students must bring their covered practical File & as per MBA norms.
- All students must be in proper college uniforms and wear college ID.
