Institute Vision

To establish a multi-disciplinary environment with excellence in technical education and research for developing competent professionals who meet the challenges of industrial and societal development with human values and ethics.

Institute Mission

M1. To provide an excellent environment with supporting infrastructure to prepare globally competent professionals accessible to industry and society.

M2. To inculcate a spirit of research, innovation and entrepreneurship by exposing multi-disciplinary approach.

M3. To motivate aspiring graduates to solve real life problems with ease of lifelong learning.

M4. To create a healthy environment which helps to develop intellectual capabilities among graduates to transform them into professionals with human values and ethics.
