Institute Vision

To establish a multi-disciplinary environment with excellence in technical education and research for developing competent professionals who meet the challenges of industrial and societal development with human values and ethics.

Institute Mission

M1. To provide an excellent environment with supporting infrastructure to produce globally competent professionals acceptable to industry and society.

M2. To inculcate a spirit of research, innovation and entrepreneurship for meeting multi-disciplinary demand.

M3. To motivate returning graduates to solve real-life problems with zeal of lifelong learning.

M4. To create a healthy environment where focus is towards individual capabilities among graduates to transform them into professionals with human values and ethics.
