Institute Vision

To achieve a multi-disciplinary environment with excellence in technical education and research for developing competent professionals who meet the challenges of industrial and societal development with human values and ethics.

Institute Mission

- 1. To provide an excellent environment with supporting infrastructure to prepare globally competent professionals acceptable to industry and society.
- 2. To promote a spirit of research, innovation and entrepreneurship by exposing multi-disciplinary spectrum.
- 3. To inculcate learning practices to solve real life problems with use of lifelong learning.
- 4. To create a healthy environment which leads to develop professional competence among graduates to transform them into professionals with human values and ethics.
