Institute Vision

To establish a multi-disciplinary environment with emphasis on technical education and research for developing competent professionals who meet the challenges of industrial and societal development with human values and ethics.

Institute Mission

- To provide an excellent environment with supporting infrastructure to ensure globally competent professionally accountable graduates and experts.
- To inculcate a spirit of research, innovation and entrepreneurship by exposing multi-disciplinary ecosystem.
- To inculcate aspiring graduates to solve real life problems with use of lifelong learning.
- To inculcate a healthy environment which leads to develop individual capabilities among graduates to transform them into professionals with human values and ethics.
