Director (Engineering) for Higher Education from January 01, 2015, 2016
National Institute of Technology (NIT) is an autonomous institution of higher education.

Institute Vision

To establish a multi-disciplinary institution with emphasis on technical education and research for developing innovative professionals who meet the challenges of industrial and societal development with human values and ethics.

Institute Mission

- 1. To provide an excellent environment with supporting infrastructure to ensure global competent professionals equipped to meet the needs.
- 2. To provide a spirit of research, innovation and critical thinking to expand multi-disciplinary research.
- 3. To take into account global issues to solve real life problems with use of lifelong learning.
- 4. To create a healthy environment which helps in developing individual capabilities among graduates to transform them into professionals with human values and ethics.
